### **Call for the "My Best" World Festival and Seminar**

Given the need to enhance the synergies of people around the world in order to create a better world after the coronavirus pandemic era, the international .martial arts union(IMAU) is holding World Festivals (Best of Me) in Asia

This event consists of three parts:

- 1-Festival of Martial arts competitions (with the title: My best) with the participation of world federations
- 2-International seminar (entitled: Global health in the shadow of promoting sports after the Corona pandemic) with the participation of relevant officials and organizations
- 3-International trade meetings (entitled: Economy and Sports) with the presence of international businessmen and investors

The three-day event, with appropriate media coverage and with respect to the authorities of different countries, will be invited by various reputable international organizations, including the United Nations Office for Peace and .Sport Development, the World Health Organization and UNESCO

Therefore, while introducing the executive details that are attached, invites the relevant global federations, world health thinkers as well as international businessmen to attend and participate, please send your desire to the following email
